# Runic Divination Dice Instructions & Key

Welcome to the world of Magickal divination. Each Bind Rune contained within this set was handcrafted with Love. Each die is covered with Runic symbols combined into Binds that hold Energy and Power. When added to your own intuition and instincts, they can provide guidance for you in every day decisions. Take the time to get to know the individual symbols by deciphering the different Runes of which they are composed. Made for advanced Rune users, the Runic Divination Dice will enhance your personal experience. May your journey be prosperous.

## Before Use

Clean prior energy. These dice have made a long journey into your hands and picked up lots of mixed energy along the way. They should be cleaned with direct moonlight for several hours to give them a fresh start.

Energize: After cleaning, hold the Runic Divination Dice in the palm of your hands and focus your energy into them. This empowers them to work for YOU. Take your time, notice the feel of the symbols and take note of mental images associated with each. After several minutes, or when you personally feel they are “charged”, the dice can be used.

Storing: Keep in a safe, quiet place where they will not be disturbed by others. Store in the handmade drawstring pouch provided.

\*\*These are personal tools and should not be shared, or the energy becomes clouded. Should this occur, cleanse and re-energize them before using again\*\*

# Divination Methods

**Note:** When using any method please roll dice on a soft cloth or piece of leather. For best results reach into the bag and take the first one(s) that call to you. Breathe gently onto the dice, and roll. Concentrate on your question while drawing and rolling.

**Instant Advice:** Draw 1 die and roll. Using the Translation Key provided, interpret the Bind Rune. Look at the individual meaning along with the positive or negative attributes.

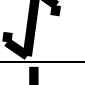

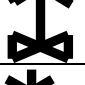

**Yes or No:** Draw 3 dice and gently roll. Refer to the Translation Key; if two or more are positive, the answer is Yes. If two or more are negative, the answer is No.

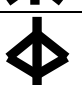

**If the Blank Rune is one of the three rolled, the question should be asked again with a more in-depth reading.**

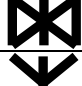

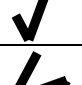

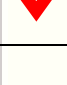

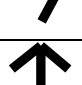

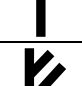

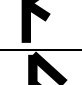

**Past, Present, Results:** Using the layout on the last page, Draw 5 dice and roll one at a time. The 1st die is placed in the middle row, left position and indicates the past problem. The 2nd die is placed in the middle row, center position. This indicates the current issue. The 3<sup>rd</sup> die is placed in the top row, center position and indicates expected help. The 4<sup>th</sup> die is placed in the bottom row, center position, and indicates that which must be accepted and cannot be changed. The 5<sup>th</sup> die is placed in the middle row, right position. This is the result Bind Rune and indicates how the issue is expected to proceed or finish. Interpret all Bind Runes from the Translation Key provided.

As you become familiar with the Runic Divination Dice they will guide you in choosing the method that works best. Feel free to explore further divination methods for your personal energy.
